### **1- Quotation - Price**

- 1.1 Quotations are valid for sixty (60) days and are subject to change at any time prior to acceptance by BUYER. Purchase orders are valid only when expressly accepted by SELLER at SELLER's office.
- 1.2 Prices listed are **Ex-works** according to the Incoterms of the International Chamber of Commerce (1990 Edition) SELLER's plants and are subject to change without notice. Prices include the cost of standard Domestic Packing. If Export Packing is required, an additional charge will be borne by BUYER.

### **2- Delivery - Shipment**

- 2.1 SELLER will make all reasonable efforts to conform to the delivery schedule but in no event will SELLER be liable for delays resulting from events of force majeure, as more fully described in Article 8 thereof. Delivery will be **Ex-works**. Title and risk of loss of Products shall pass to BUYER upon delivery.
- 2.2 Except as may be otherwise specified in any Contract or Purchase Order which may be formed subsequent to the issuance of SELLER's quotation, BUYER shall provide and maintain Transit Insurance, with coverage for the full value of the Shipment(s). Insurance deductibles, if any, shall be borne by BUYER.
- 2.3 If the SELLER should agree to cause the Products to be shipped to BUYER's designated point of destination, then the shipment will be routed according to SELLER's best judgement unless SELLER and BUYER have otherwise agreed on a specific carrier, in which case transportation costs shall remain with BUYER.
- 2.4 Claims for damage or loss while Products are in transit must be made against the carrier by the BUYER.
- 2.5 Claims for shortages must be made within thirty (30) days after date of shipment of Products from SELLER's plants.
- 2.6 The goods remain the property of the SELLER until full payment of the price.
- 2.7 Unless otherwise stipulated in the contract, lead times are stated only as an indication and any delay cannot be due cause for cancellation of the order or any compensation of any kind.

### **3- Changes in Design or Construction**

- 3.1 SELLER reserves the right in its sole discretion to make any changes it deems desirable in the design or manufacture of the Products described in this quotation provided that the Products as changed meet the performance specifications, if any.
- 3.2 SELLER will be under no obligation to proceed with a change requested by BUYER unless or until a change order acceptable to both Parties is signed by BUYER and SELLER.

### **4- Warranties**

- 4.1 SELLER warrants the Products manufactured by it to be free from defects in material and workmanship at date of delivery and for a period of one (1) year thereafter, under proper and normal use and service. As to all apparatus and accessories not manufactured by SELLER which are components of or ancillary to the Products furnished by SELLER, SELLER's only obligation shall be to obtain for BUYER such warranties or guarantees as are available from the vendors thereof for such period of time, if obtainable in this instance by SELLER without payment by SELLER of additional consideration therefor.
- 4.2 SELLER further warrants that the Products will have passed those performance tests, if any, called for in the applicable specifications. If such performance test or tests are specified but, for reasons beyond the control of SELLER, are not completed within one (1) year after the delivery of the Products or sixty (60) days after the Products are first put into operation, whichever shall first occur, the Products shall be conclusively deemed to have satisfied this warranty and all liability of SELLER therefor shall terminate.
- 4.3 If, during the applicable warranty period, the Products manufactured by SELLER are found to have been defective when delivered, they will be repaired at SELLER's factory or replaced without charge FOB named port of shipment, provided that BUYER gives SELLER immediate written notice upon discovery of such defect. In no event shall Seller be liable for the expenses of removal and reinstallation of the defective Products or defective parts of the Products. As to apparatus and accessories of other vendors, recourse shall be made against such vendors only, and SELLER's only obligation shall be to use reasonable efforts (which shall not include the initiation of litigation) to require its vendors to fulfil the obligations of their warranties or guarantees on such apparatus and accessories furnished hereunder.
- 4.4 The replacement or repair of defective Products or defective parts of the Products, as aforesaid, shall be BUYER's only remedy. SELLER shall have the option of removing and reclaiming the Products at its own expense and of repaying to BUYER all sums received on account of the purchase price, in which event all liability of SELLER shall terminate.
- 4.5 No allowance will be made for repair or alterations made without the written consent of SELLER, in which event all SELLER's warranties shall be void and of no effect. BUYER agrees to assume responsibilities and pay for such defects which are attributable to it and for damages which may occur to the Products after delivery to it.
- 4.6 **Limitation of Warranties** : ALL SELLER'S WARRANTIES OF THE PRODUCTS ARE EXPRESSLY SET FORTH IN ARTICLE 4 AND ARE IN LIEU OF ANY WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE AND OTHER WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED, IN FACT OR BY LAW, SAVE FOR THE IMPLIED WARRANTIES OF SELLER'S TITLE, ITS RIGHT TO TRANSFER THE PRODUCTS AND THE FREEDOM THEREOF FROM ENCUMBRANCE.
- 4.7 The warranties and remedies set forth herein are further conditioned upon the proper receipt, handling, storage and installation of SELLER's furnished Products, upon the Products not being operated beyond their rating and, in all respects, having been operated and maintained in a normal and proper manner and not having been subjected to accident, alteration, abuse or misuse.
- 4.8 No goods can be returned without the prior written authorisation of N.V. Nexans Network Solutions Div. Euromold. Such authorisation does not imply any recognition by N.V. Nexans Network Solutions Div. Euromold that the goods returned are defective or non-conforming.

### **5- Limitation of Liability :**

Notwithstanding anything to the contrary contained in this contract, Seller's aggregate liability arising out of or in connection with the present contract, whether based on breach of contract, statutory warranty or otherwise, shall in no event exceed, in addition to the repair or provision of a replacement of the defective product, 20% of the purchase price of the product with respect to which any related claim may be made. With the exception of bodily injuries, Seller shall not be liable for any special, indirect, incidental or consequential damages of any kind, and Seller shall not be liable for losses of use, data, profit, income, business, anticipated savings, reputation, and more generally, any losses of an economic or financial nature, whether these may be deemed as consequential or arising directly and naturally from the incident giving rise to the claim.

### **6- Taxes**

The price for the Products does not include any sales, privilege, or use tax or taxes of any kind including any customs duties, which may arise in connection with the transactions which are the subject matter hereof, and BUYER agrees to pay or reimburse SELLER for any such taxes or duties.

### **7- Payment**

- 7.1 Payments will be made in EURO or in the currency stipulated in the contract, net and free of discount.
- 7.2 Unless otherwise agreed invoices are payable thirty (30) days after date of invoice. They produce interest by right and without formal notice, with effect from the due date, equal to the EURIBOR plus 2%. Stipulation of interest payment does not prejudice responsibility for the payment terms when they expire.

### **8- Force Majeure**

- 8.1 SELLER shall not be considered in default in the performance of its obligations hereunder, or be liable in damages or otherwise for any failure or delay in performance which is due to strike, lockout, concerted act of workmen or other industrial disturbance, fire, explosion, flood or other natural catastrophe, civil disturbance, riot or armed conflict whether declared or undeclared, curtailment, shortage, rationing or allocation of normal sources of supply of labor, materials, transportation, energy, or utilities, accident, Act of God, delay of subcontractors or vendors, surferance of or voluntary compliance with acts of government and government regulations (whether or not valid), embargo or any other cause whether similar or dissimilar to any of the causes or categories of causes described above and which is beyond the reasonable control of SELLER.

### **9- Drawings**

- 9.1 Ownership of drawings, bills of materials, flow diagrams, plot plans, details, specifications and other data prepared by SELLER shall remain with SELLER, except in the case of drawings, manuals, etc ..., if any, required to be supplied to BUYER hereunder.
- 9.2 Drawings, manuals, etc ... so required to be supplied to BUYER shall be the property of BUYER, but BUYER agrees to use them solely for the purpose of facilitating, completing construction, maintenance, operation, modification, and repair of the Products supplied hereunder, and agrees not to disclose the same to third parties for other purposes without the written consent of SELLER.
- 9.3 The weights, dimensions, capacities and other data shown in catalogues, brochures, service instructions, advertisements, illustrations and price lists are of an approximate indicative nature. This data is binding only if it is expressly stipulated in the contract.

### **10- Acceptance of Terms**

- 10.1 Unless accepted in writing by an executive officer of SELLER, any terms or conditions in BUYER's offer to buy as transmitted to SELLER in the form of a purchase order or otherwise, which are different from or which purport to add to, modify, supersede or otherwise alter the terms and conditions contained in these General Terms and Conditions, shall not be binding on SELLER and will have no effect.
- 10.2 Neither the failure of SELLER to respond to any terms or conditions contained in BUYER's purchase order, nor the commencement by SELLER of any work relating to supply of the Products shall be construed as SELLER's assent to any terms and conditions which are additional to or different from, or which modify, the terms and conditions set forth in these General Terms and Conditions.

### **11- Assignment**

Any contract or purchase order between SELLER and BUYER which may be formed subsequent to the issuance of SELLER's quotation may be transferred or assigned by SELLER in whole or in part to any subsidiary or affiliate of SELLER, or to any purchaser of substantially all of the business or assets of SELLER or any business segment of SELLER. The BUYER will supply, at his expense, any aids and devices and all products required for assembly.

### **13- Termination**

- 12.1 Should BUYER be lead to terminate any contract or purchase order which may be formed subsequent to the issuance of SELLER's quotation prior to their normal date of completion, notice of such termination shall be made in writing within **sixty (60) days** prior to the effective date of termination stating the reasons therefor.
- 12.2 SELLER shall be entitled to the payment of reasonable and proper termination charges which shall include a portion of the price reflecting the amount of work completed to date plus any additional expense incurred by reason of termination of SELLER's agreements with its suppliers and subcontractors.
- 12.3 SELLER reserves the right to cancel forthwith any contract or purchase order which may be formed subsequent to the issuance of this quotation in the event of BUYER's failure to make payment, or if BUYER becomes insolvent, or commits an act of bankruptcy or has filed against it a petition in bankruptcy.

### **14- Waiver**

The failure by Seller to enforce any term or condition contained herein shall not be considered a waiver thereof and shall not prevent Seller from enforcing any such term or condition thereafter.

### **15- Severability**

In the event that any of those General Terms and Conditions are in conflict with any rule of law or statutory provision or otherwise unenforceable under the laws or regulations of any government or subdivision thereof such invalidity or unenforceability shall not invalidate any of the other terms and conditions hereof nor any contract between the Parties based on these terms and conditions.

### **16- Option to recover the Product**

All sales made hereunder are made subject to the condition subsequent of Buyer's payment of the price on time, failing which Seller has the option at its discretion to recover title to and possession of the Product. If after delivery, but prior to full effective payment, the Product is attached, or Buyer is subject to a bankruptcy proceeding, whether voluntary or not, Seller may then, at its option, recover title to and possession of the Product.
